

Actionable,
versatile,
modular
screening.

me-check®

me-check®

Actionable, versatile, modular
ocular surface screening.

me-check® is simplest, fastest device on the market. It's a certified CLASS IIA medical device. Its unique benefit is its software: we built it to screen for most ocular surface conditions.

> Developed in partnership with **Dr. H. Pult** (Germany),
Prof. J. Wolffsohn (United Kingdom)

AVAILABLE IN TWO CONFIGURATIONS
